No proposal in respect of teachers from Coorg undergoing training in the Govt. Training College, Bangalore, was sanctioned with effect from the month of May 1931. Will the Inspr. of Schools kindly say whether the present proposal should have effect from the same month or should take effect from the beginning of the current year?

The students are paid stipends from the date of joining the school. The order may be with effect from the date of joining in each case. This is a new batch of students, & there is no one in the middle of his course who can have his stipend reduced.

It may be added, in case the question arises, that I have not supported the reduction of stipend to women students or to Elementary Grade Muhammadan students, both of which classes of students have to go to Madras for training, & for them there is no extra expense than those who attend the Bangalore school have presumably homes in Bangalore.

The Secretary to the Hon'ble the Resident

in Mysore, Bangalore.

Received 14-5-31

I have the honour to request you to be so good as to obtain the sanction of the Hon'ble the Resident to the reduction of the rate of stipends given to Bangalore students undergoing -- training in the Government Training school, Bangalore, for Secondary Grade Teachers from Rs. 25/- to Rs. 20/- and Higher Elementary Grade teachers from Rs. 21/- to Rs. 18/-. I have already proposed to the Chief Commissioner of Coorg the reduction of the rate of stipends in the case of teachers from Coorg who undergo training in the Government Training School, Bangalore, as above. I consider that teachers undergoing training in the same institution either from Bangalore or Coorg should receive similar treatment.

2. I am of the opinion that the reduction in the stipends will entail no undue hardship on the students under training. The Madras students under training including those who attend the Local Government Training School, are paid at the rate of Rs. 12/- for Secondary grade teachers and Rs. 10-8-0 for Higher Elementary grad/ teachers. The rates I propose still seem generous by comparison

I make these proposals as a measure of economy.

I have the honour to be,

Sir,

Your most obedient servant,

H Famonds

Inspector of Schools,

Coorg and Bangalore.
